Why Filtermist?:

Filtermist International Limited, part of the Swedish [Absolent Group](#), has been established for 50 years and is the UK market leader for oil mist extraction. Our UK made oil mist filters are trusted by world leading manufacturers in more than 60 countries in industries ranging from aerospace and automotive, to food processing and medical device manufacture.

Our company has diversified in recent years by extending the products and services we offer through both organic growth and targeted acquisitions. In addition to Filtermist oil mist filters, Filtermist International is responsible for manufacturing the following brands: [Dustcheck](#), [Gallito](#), [FastClip](#) & [Kerstar](#)

Filtermist Systems Limited, the UK sales operation, is also the UK distributor for sister company [Absolent AB](#) as well as other extraction equipment suppliers, and provides a UK wide installation and maintenance service, as well as CoSHH compliant LEV Testing for all makes and models of LEV systems.

We target excellence throughout all aspects of our businesses. We pride ourselves in operating an ambitious, fast growing and fast-paced company that offers a wide range of opportunities for employees due to ongoing significant growth.

We actively participate in lots of national funding raising initiatives throughout the year and support several charities, individuals and organisations that have direct connections with our employees. All employees can nominate causes close to their hearts for possible financial support.

We drive our businesses with key behavioural competencies that underpin how we do business - making Filtermist a great place to work.
