

FILTERMIST

Protecting people for 50 years

50th Anniversary Celebratory Open House and Official Opening of
Filtermist's new Telford Distribution Centre

Friday 13th September 2019

Order of the day

Visitors should make their way past Filtermist's headquarters on Naird Lane ([google map](#)). Please drive to the end of the road and turn left. Torus Technology will be on your left-hand side. Filtermist's new 30,000 sq ft Distribution Centre is located next to Torus. Please make your way through the gate and park there.

10.00 Event begins

Refreshments will be served on arrival

10.00-3.00

Displays of all manufactured products Filtermist offers will be on show, with technical experts on hand to offer information and advice. Please see the back of this agenda for more details

10.30-12.00

Factory tours. A shuttle bus will be running between Filtermist's two sites for anyone that would like to see Filtermist oil mist filters being manufactured. The tours will include metal spinning demonstrations from our skilled spinners, some of whom have manufactured Filtermist units for more than 25 years

12.00-13.30

Buffet lunch will be served in Filtermist's new Distribution Centre

12.45

Filtermist International CEO James Stansfield will officially welcome all guests to our new facility

13.00

Filtermist's new Distribution Centre will be officially opened

13.30-14.30

Factory tours will resume

15.00

Event ends.
